The Chariot

♡

☐☐

Today

Because I could not stop for Death,
He kindly stopped for me;
The carriage held but just ourselves
And Immortality.

We slowly drove, he knew no haste,
And I had put away
My labor, and my leisure too,
For his civility.

Hope

♡

☐☐

Today

Hope is the thing with feathers

That perches in the soul,

And sings the tune without the words,

And never stops at all,

And sweetest in the gale is heard;

And sore must be the storm

That could abash the little bird

That kept so many warm.

He kindly stopped for me;

The carriage held but just ourselves

And Immortality.

We slowly drove, he knew no haste,

And I had put away

My labor, and my leisure too,

For his civility.

We passed the school where children played,

Their lessons scarcely done;

We passed the fields of gazing grain,

We passed the setting sun.

We paused before a house that seemed

A swelling of the ground;

The roof was scarcely visible,

The cornice but a mound.
